

## For Immediate Release

### Seaborne takes off to St. Maarten

ST. CROIX, U.S. Virgin Islands, March 3, 2014 /PRNewswire/ -- Starting today, Seaborne Airlines, the fastest growing airline in the Caribbean, begins new non-stop daily service from Luis Munoz Marin International Airport in San Juan, Puerto Rico (SJU) to The Princess Julianna International Airport (SXM) in St. Maarten becoming the 19<sup>th</sup> airport Seaborne has launched during its expansion throughout the Caribbean.

From the breathtaking cliffs of Cupecoy to gorgeous sandy beaches like Maho Beach, St. Maarten boasts many popular attractions and night life, only minutes away from Puerto Rico.

#### Non-Stop Daily Flights

**San Juan, PR (SJU) Departure Time 6:45pm**

**St. Maarten (SXM) Arrival Time 7:45pm**

**St. Maarten (SXM) Departure Time 8:00am**

**San Juan, PR (SJU) Arrival Time 9:10am**

Fares from San Juan to St. Maarten begin as low as \$88 one way, taxes and fees included. Flights can be reserved via SeaborneAirlines.com, Expedia, Travelocity or through your local travel agency.

"St. Maarten is yet another exciting destination in the Caribbean that Seaborne is offering to our customers, as we build important trade and tourism links throughout the Caribbean" said **Gary D. Foss, president and chief executive officer Seaborne Airlines.**

Seaborne has shown dramatic growth during the past months. Just recently, Seaborne announced service to its 18<sup>th</sup> airport, Las Americas International Airport in Santo Domingo, Dominican Republic (SDQ) with non-stop service from Luis Munoz Marin International Airport in San Juan, Puerto Rico (SJU) effective April 15, 2014. Santo Domingo will be Seaborne's fourth destination within the Dominican Republic, the others being La Romana, started in December, 2013; Punta Cana beginning February 14, 2014 and Santiago beginning March 15th, 2014. For more information please visit [www.seaborneairlines.com](http://www.seaborneairlines.com) or follow us in social media networks: facebook/seaborne and @flyseaborne.

Seaborne recently announced the relocation of its headquarters to San Juan, Puerto Rico to be effective in March, 2014.

#### About Seaborne Airlines

Seaborne Airlines has been operating in the Caribbean for over 20 years, carrying over two million customers safely. With over 2,100 monthly departures to eighteen airports planned by April, 2014. Seaborne serves San Juan's Luis Munoz Marin International Airport, Vieques, St. Thomas airport and seaplane base, St. Croix airport and seaplane base, Tortola, Virgin Gorda, Dominica, Martinique, Guadeloupe, La Romana, Dominican Republic, St. Kitts, Nevis, Punta Cana, Dominican Republic in February, 2014; and St. Maarten and Santiago, Dominican Republic

in March 2014 . All flights operate with two pilots and twin engines under Federal Air Regulation Part 121, the strictest code of the US Federal Air Regulation governing air travel.
